Video film on COVID-19“One Step Ahead of CORONA”

A film on COVID-19 “One Step Ahead of CORONA” has been produced in the public interest by GIPARD to impart information and create awareness about COVID-19 pandemic and help people to take preventive measures to minimise its transmission in the community. This film was release on the YouTube channel by Chief Secretary Shri, Parimal Rai (IAS) on 8th May 2020.

Online Training programme on COVID-19

Online Training programme on **COVID-19** was organized for Office bearers of SHGs. This programme was conducted into five batches for Block Resource Persons of all blocks and Community Resource Persons of all blocks of both districts. One day programme held from 27th May to 1st June, 2020. Total 193 participants attended this training. The aim of the programme was to enable participants to explain information & preventive measures on COVID-19 and role of SHGs in arresting spreading of COVID19 during and after lockdown period.

An Online training programme for Government Primary Teachers and for high Teacher on “COVID- 19 and the Role of Teachers” was conducted in the month of June into 3 batches. The objective of the programme was to create awareness on preventive measures to be taken by all to protect from COVID -19 and the role of teachers in the Educational Institutions to protect students, staff and others be it at home, with children or at school with students. Around 241 participants attended this training programmes.

A guide on general precautions on COVID – 19

GIPARD in consultation with Department of Preventive & Social Medicine, Goa Medical College & Hospital has prepared a short guide on precautionary measures to be taken by various sections of the society these are basic steps which each one of us can take in whoever area of our functions, be it at home, with children, at workplace in offices in Institutions, in banks, in markets/shops, in restaurant/hotels. This handbook was digitally released by the Chief Secretary on 30th May, 2020.

A Guideline Document on Home Quarantine

GIPARD has taken initiative to prepare a guideline on Home Quarantine in COVID-19 and the role of Local Bodies. This guideline provides the information such as what is home quarantine?, who can undergo home quarantine?, what should a person under home quarantine do? Role of local bodies to ensure that person follow home quarantine.
